HINCH DISTILLERY

UNRIVALLED LOCATION

Hinch Distillery is situated 20km south of Belfast in Co Down, Northern Ireland.

This lush, green, spacious 25 acre estate provides the Hinch brand with significant room to grow, both in terms of increasing production on site and increasing sales to both the UK and EU markets.

Northern Ireland's unique position in the UK, but also within the Single Market, means seamless trade with the EU.

KEY HIGHLIGHTS

MARKET POSITION

Inspired by the long tradition of Irish distilling, but focused on shaping a ‘future perfect’, Hinch Distillery is dedicated to crafting single malt whiskeys, both peated and unpeated.

With everyday accessibility at its heart, the Hinch range challenges the ordinary and goes way beyond the conventional.

KEY HIGHLIGHTS

TRADING PARTNER

Hinch Distillery has a global influence, with products available in an impressive 35 markets in Europe, South Africa, North America, Australia and Asia Pacific.

Recent significant launches include USA and India, the largest whiskey market in the world.

The arrival upon maturation of the Hinch 'New Make Spirit' in 2025 signified a coming of age and an exciting new era for the distillery.

THE DISTILLERY

COMMISSIONED IN 2020

OUR FACILITY

Our facility at the Killaney Estate has a generous 45,000 ft² area of production and storage space. The site hosts a 10,000 ft² maturation warehouse which holds 8,000-10,000 casks.

OUR GRAINS

Hinch Distillery is a full 'grain to glass' facility, containing distilling, cask filling, maturation, disgorging, blending and bottling & labelling capacity. Hinch produced circa 400,000 LPA whiskey in FY23 and circa 850,000 LPA in FY24. We are proud that our grain is locally sourced in Co. Down

THE DISTILLERY

LPA

A current operating capacity of 1.9 million litres of Alcohol

KEY MILESTONES:

- First cask of whiskey filled October 2020
- Capacity increase from 400,000 LPA to 1,200,00 LPA in May 2023
- Subsequently increased again up to 1,900,000 LPA in June 2024

OUR *NEW SBCs* FOR THE CORE 4 RANGE

**SBC = Single Bottle Container: high quality corrugated cardboard gift box which can be supplied flat packed*

SINGLE MALT

BOURBON - OLOROSO

VOL. 700ml | ALC. 43% VOL | Natural Colour

Hinch Single Malt Irish Whiskey is matured in premium Ex-Bourbon American Oak and Oloroso Sherry casks carefully selected by our Head Distiller to produce this full flavoured and smooth Irish Whiskey

Nose

This elegant and well-balanced single malt opens with a delightful nose of candied orange, offering a vibrant citrus aroma that immediately captivates the senses. This is beautifully complemented by the warm, spicy notes of ginger, adding complexity and depth. As the aroma unfolds, the sweet and inviting scent of honey emerges rounding out the aromatic profile.

Palate

On the palate, this single malt is bright and refreshing. The initial taste opens on notes of toffee apple, combining the rich, caramelized sweetness with a crisp, fruity bite. This is followed by the luscious flavour of peach syrup, which adds a juicy sweetness that enhances the overall complexity. The final note of biscuit introduces a subtle, buttery element, creating a well-rounded and satisfying mouthfeel.

Finish

The finish is clean and uplifting, with the citrus and honey notes lingering, leaving a pleasant and memorable aftertaste that invites you to savour each sip.

PEATED SINGLE MALT

BOURBON - MADEIRA - OLOROSO

VOL. 700ml | ALC. 43% VOL | Natural Colour

Our award winning Hinch Peated Single Malt Irish Whiskey is matured in premium Ex-Bourbon American Oak, Madeira and Oloroso Sherry casks carefully selected by our Head Distiller to produce this full flavoured and robust Irish Whiskey

Nose

This lively peated single malt greets you with an intense nose of ashy smoke, evoking memories of a crackling seaside bonfire. The smoky aroma is complemented by the herbaceous scent of heathery coal dust. As you delve deeper, the intriguing note of charred pineapple emerges, offering a unique and tantalizing sweetness that balances the smokiness.

Palate

On the palate, this single malt is unapologetically smoke-forward, delivering a bold and robust flavor profile. The initial wave of honey provides a rich, velvety sweetness, which is quickly followed by the sharp and invigorating bite of black pepper. The addition of smoked rock salt introduces a savoury, umami element that enhances the complexity of the whisky. Finally, the rich and decadent taste of dark chocolate rounds out the experience.

Finish

The finish is long and satisfying, with the smoky and chocolatey notes persisting, creating a harmonious and memorable aftertaste that beckons you for another sip.

NINTH WAVE

IRISH GIN

VOL. 700ml | ALC. 46% VOL

Ninth Wave Gin is more than just a premium Irish gin. Our ocean-blue bottle, adorned with the Celtic Triskellion, is a symbol of the mythical and magical connection between the Irish and the sea. As you set sail on your voyage to the Otherworld, you're not just enjoying a fine gin but also embracing a sustainable and adventurous lifestyle.

Tasting Note- Pithy citrus, spice nose with nettles, pine needles, fresh mint. On the pallet honey and key lime pie, smooth and extremely well balanced.

Ninth Wave includes 9 botanicals within the Ninth Wave recipe

- Juniper Berries
- Coriander Seeds
- Angelica Root
- Orris Root
- Cassia Bark
- Dried Lemon Peel
- Cardamom
- Grains of Paradise
- Dried Lemon Verbena
